

## Healing Through Hypnosis **Additional Policies**

### **Session Content**

Hypnosis is performed at the majority of sessions. However, it is not always necessary to perform hypnosis during or for the entirety of every session. Sometimes we may need to work together in a totally conscious state of mind.

### **24-Hour Cancellation Policy**

If you are a “no show” or cancel your appointment less than 24 hours prior to your scheduled time you will be subject to a \$50 fee. A one-time allowance for emergencies, etc. will be permitted.

### **15-Minute Policy**

If you are 15 minutes late it is considered a “no show”. The 24-hour cancellation policy will apply and you will be subject to the \$50 fee unless it is your first “no show”. We will then reschedule your appointment after payment.

### **Rescheduling**

You may reschedule an appointment without penalty if it is done no less than 24 hours before your next appointment.

## **Hypnotist Cancellations**

If the hypnotist must cancel or reschedule a session less than 24-hours in advance the client will be discounted \$25 on their next scheduled session.

## **Distractions**

In order for you to work effectively with the hypnotist, you will need to come prepared to turn off cellular phones, hand-held devices, laptop computers, or other forms of technology. If you are having an in-person session, it will be mask-free by the therapist. Please make arrangements for childcare. You may bring a friend or spouse; however, these are sessions for you, so it is not advisable. You may bring water, but no food, cigarettes or outside substances are permitted.

I agree to adhere to the above policies.
